PUBLIC HEARING
SPECIAL ASSESSMENT FOR DIAMOND LAKE WEED CONTROL
August 14, 2025

Supervisor Hass called the public hearing to order at 6:02 p.m.

Assessor Shalice Northrop explained that the Diamond Lake Weed Control Special Assessment must go through public hearings every five (5) years to renew it. Jefferson Township has 67 parcels that make up its district for this special assessment. The assessment cost would remain the same at approximately \$4154.00 per year for the Jefferson Township special assessment district.

Supervisor Hass opened the floor for public comments. No public came forward. Public comment closed.

Supervisor Hass closed the hearing at 6:05 p.m.
